

客户: _____

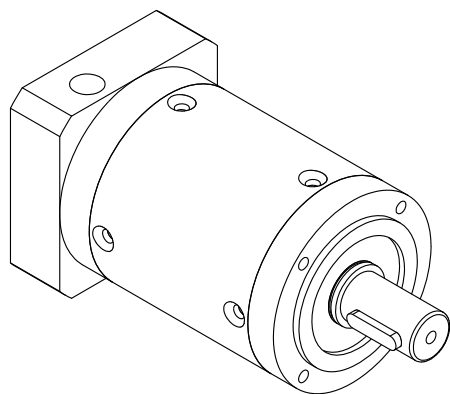

Technical drawing of a mechanical part, showing a top view and a side view.

Top View Dimensions:

- Overall diameter: $\varnothing 70$
- Central hole diameter: $\varnothing 19$
- Four M6 holes with a depth of 10: 4-M6深10
- One M6 hole with a depth of 18: M6深18
- Radial distance from center to the center of the M6 holes: 22.5
- Distance between the centers of the M6 holes: 6

Side View Dimensions:

- Total length: 179
- Distance from the left face to the center of the M6 holes: 43.5
- Distance from the center of the M6 holes to the right face: 40
- Distance from the left face to the center of the central hole: 7
- Distance from the center of the central hole to the right face: 40
- Distance from the left face to the center of the M6 holes: 19
- Distance from the center of the M6 holes to the right face: 28
- Distance from the center of the M6 holes to the right face: 4
- Distance from the center of the M6 holes to the right face: 20
- Distance from the center of the M6 holes to the right face: 60
- Distance from the center of the M6 holes to the right face: 7

速比	1:60
额定扭矩	120Nm
最大扭矩	2倍过载
额定输入转数	3000r/min
最大输入转数	6000r/min
回程间隙	<10arcmin
